

Lois Fuchs
Vice President, Risk Management
Honeywell International Inc.

Lois Fuchs is the Vice President, Risk Management for Honeywell International Inc. Honeywell is a diversified technology and manufacturing company serving customers worldwide.

Honeywell's wide-ranging operations include aerospace products and services; control, sensing and security technologies for buildings, homes and industry; turbochargers; automotive products; specialty chemicals; electronic and advanced materials; process technology for refining and petrochemicals; and energy efficient products and solutions for homes, business and transportation. Honeywell has over 120,000 employees in 100 countries with 2008 revenues of over \$36B.

Lois is a member of Honeywell's Finance Department reporting to the Chief Financial Officer. She directs a staff of eight who operate out of Honeywell's offices in London, Mumbai and the corporate headquarters in Morristown, NJ.

Lois joined AlliedSignal Inc. in 1996 prior to its merger with Honeywell Inc. She has held risk management and treasury positions with NYNEX, a telecommunications company, and the international firms of Rhone Poulenc and BP North America. Her insurance career and interest in aviation began when she was a broker with the Parker Aviation Division of Frank B. Hall.
