  - (c) the Reinsured shall furnish the Reinsurers with all information available respecting such loss or losses, and the Reinsurers shall have the sole right to appoint adjusters, assessors, surveyors and/or lawyers and to control all negotiations, adjustments and settlements in connection with such loss or losses.

**AVN 41A 4.2.02 (Amended)**

**CO-INSURANCE CLAUSE**

In the event that less than 100% of any declaration is declared to this facility, it is a requirement of this facility that any co-insurance effected to make up to 100% of the limits of such declaration shall follow the ABC Policy as applicable with regard to terms (excluding premium), conditions, agreements, amendments, including but not limited to choice of applicable law, service of suit or jurisdiction and appointed defence counsel and to follow claims handling and agreement of Slip Leader of this Lineslip.

**TRIPRA ENDORSEMENT**

It being understood and agreed that the Slip Leader is empowered, by the supporting Insurers, to give notice of or offer a quotation to amend the coverage of any new, renewal or existing Policy or to accept on behalf of such Insurers, the Insured's acceptance or declinature of such quotation as may be required to satisfy any obligation imposed upon Insurers as set down in the TERRORISM RISK INSURANCE ACT 2005 amended (TRIPRA), or any amendatory act or legislation relating thereto.

**INSURER DOWNGRADE CLAUSE**

Each individual subscribing Insurer shall at all times during the Policy Period maintain an Insurer Financial Strength (IFS) rating from Standard & Poor's of 55 Water Street, New York, NY 10041 USA ("S&P") equal to or greater than A- as applied by S&P to that individual subscribing Insurer.

Any individual subscribing Insurer who does not have an IFS rating from S&P but who maintains during the Policy Period a rating from A.M. Best Company of Ambest Road, Oldwick, New Jersey 08858 USA ("Bests") shall also be considered as falling within the terms of this clause.

In the event that a rating should be given to an individual subscribing Insurer by both S&P and Bests which differ to the extent that one of the ratings is inferior to the other then the rating of S&P shall prevail.

In the event of any explicit downgrading of an individual subscribing Insurer to a rating lower than A- being applied by S&P or Bests the Insured may, subject to provisions of this endorsement, elect to cancel the participation of that individual subscribing Insurer. The effective date of such cancellation shall be determined at the discretion of the Insured provided that the date so determined shall not be earlier than the date upon which the insured issues notice to the individual subscribing Insurers.

For the avoidance of doubt the status of Credit Watch as defined by S&P or a rating modifier of 'u' (Under Review) applied to a rated Company as defined by Bests shall not, of itself, be construed as a downgrading for the purposes of this clause

With regard to any Lloyd's Underwriters participating hereunder the rating applicable to each individual Lloyd's Underwriter shall be the S&P IFS rating applicable to the Lloyd's Corporation as a whole.

If, for an Insurer with a rating lower than A- or no rating by S&P or Bests, in the judgement of the Insured the security of such Insurer has materially deteriorated since inception of this Policy, the Insured shall have the same right of cancellation as set out above.

The Insured may also elect to cancel the participation of any individual subscribing Insurer that ceases underwriting. The effective date of such cancellation shall be determined at the sole discretion of the Insured provided that the date so determined shall not be earlier than the date upon which the Insured issues notice to the individual subscribing Insurer that has ceased underwriting.

After the date of cancellation, the liability of the individual subscribing Insurer hereunder shall cease outright other than in respect of losses which have occurred prior thereto.

All notices of cancellation served in accordance with any of the provisions of this clause shall be by means of instantaneous communication that provides a permanent record of such communication, and shall be deemed to be served upon despatch or where communications between the parties are interrupted upon attempted despatch.

All notices of cancellation served in accordance with any of the provisions of this clause shall

be addressed to the party concerned at its Head Office or at any other address previously designated by that party.

In the event of this Insurer Downgrade Clause being invoked at any date prior to the Expiration Date of the Policy Period the premium due to the Insurer shall be calculated upon the Premium of the Policy up to the date of cancellation or pro rata temporis of the minimum premium, whichever is the greater, or pro rata temporis of the flat premium, if applicable, however in the event that the Insured or his representative at any time give notice of a claim or suit arising out of an Occurrence under the Policy prior to the date of cancellation, the Premium shall be deemed earned in full by the Insurer.

For the purposes of this Insurer Downgrade Clause where the participation by any individual subscribing company Insurer is accepted through the intermediary of an underwriting agent, the following shall apply:

- a) the underwriting agent shall be given the option to put forward alternative Insurer(s), provided that such alternative Insurer(s) shall comply with the criteria set out in this clause and be recognised as eligible surplus lines or admitted Insurer(s) at the Insured's address as stated in this Policy.
- b) all notices of cancellation served in accordance with any of the provisions above shall be addressed to the underwriting agent at its Head Office or at any other address previously designated for such purpose.

<u>SECURITY DETAILS</u>
-------------------------

(RE)INSURER'S  
LIABILITY:

LMA 3333 (Re)Insurers Liability Clause

**(Re)insurer's liability several not joint:**

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

**(RE)INSURER'S  
LIABILITY:**  
(continued)

**Proportion of liability**

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

**ORDER HEREON:**

100% of 100%.

**BASIS OF WRITTEN  
LINES:**

Percentage of Whole.

**BASIS OF SIGNED  
LINES:**

Signed Lines to be expressed as percentages of 100% of order.

**SIGNING PROVISIONS**

In the event that the written lines hereon exceed 100% of the order, any lines written "To Stand" will be allocated in full and all other lines will be signed down either in disproportionate or equal proportions so that the aggregate signed lines are equal to 100% of the order.

The signed lines resulting from the application of the above provision can be varied after the commencement date of the period of insurance, by the documented agreement of all insurers whose lines are to be varied. The variation to the contracts will take effect only when all such insurers have agreed, with the resulting variation in signed lines commencing from the date set out in that agreement.
