ABC MASTER LINESLIP SCHEDULE – APPENDIX

Please note – It may be the case that not all ABC Underwriters are licenced in all US states or domiciles.

INFORMATION

**CHUBB AND GLOBAL AEROSPACE ARE AT ‘LEADERS’ TERMS’
ALL OTHER MARKETS ARE AT LEADERS’ TERMS LESS 5%.**

(From 2017/18 ‘XS52’ schedule NOT REQUIRED.)

****SPARES (advice from Xchanging)**

When items requiring Spares Cover are placed the brokers could at that point;

- 1 request that the lead uwr allocate a V risk code for Spares on that slip - we can then close as a normal signing (ie, not off of the facility) but associated to the rest of the risk.*
- 2 request that the lead uwr agree to sign the Spares coverage as a special acceptance under the AP risk code already allocated - we would then sign off of the facility.*
