

COMPLETED OPERATIONS LEGAL LIABILITY

Insuring Agreement I Coverage A is amended to read as follows:

To pay on behalf of the Insured all sums which the Insured shall become legally obligated to pay as damages because of personal injury, sickness or disease, including death at any time resulting therefrom sustained by any person (herein referred to as "Personal Injury") and because of injury to or destruction of property including the loss of use thereof (herein referred to as "Property Damage"), caused by an Occurrence arising out of

- (a) the Products Hazard
- (b) the Completed Operations Hazard, but only if the Personal Injury or Property Damage occurs after such operations have been completed or abandoned and occurs away from premises owned by or rented to the Insured

The Definitions are amended to include the following:

COMPLETED OPERATIONS HAZARD

"Completed Operations Hazard" means operations or reliance upon a representation or warranty made at any time with respect thereto.

"Operations" include materials, parts or equipment furnished in connection therewith.

Operations shall be deemed completed at the earliest of the following times:

- (a) When all operations to be performed by or on behalf of the Insured under the contract have been completed, or
- (b) When all operations to be performed by or on behalf of the Insured at the site of the operations have been completed, or
- (c) When the portion of the work out of which the Personal Injury or Property Damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

Operations which may require further service or maintenance work, or correction, repair or replacement because of any defect or deficiency, but which are otherwise complete, shall be deemed to be completed.

Completed Operations does not include Personal Injury or Property Damage arising out of the existence of tools, uninstalled equipment or abandoned or unused materials.
